a Lesson in the University of The New Covenant

Theodore Cottingham October 24, 2008 as I ride in the van.

www.NewCovenant.me

1. I am doing a new thing and I am doing it through the surrendered, the neat, who will not nip me in the bud anymore -- but letting my flowers grow, my orchard, my orchards grow; unattainably not, but yea, my who see me become my orchid-ing me, not; but yea I say unto thee all, be me, rise now – **thy eyes see things never seen again**. Before the coming of the righteous. I am the righteous. I am me. Surrenderedly I am the me surrendering to me be -- the full I am I am, again home.

2. Home again James, James not, James the less, not, looking up shall we? Who shall be my afraid-ones? Not in the earth anymore a man of, but God reasoning with God - who can imagine such? And being me, I give you, no reasons for not being me.

3. I am the one I am in you coming forth; at dawn, not; right NOW! NOW! NOW - I am I am - loving you all to be who I am, is a mighty one saved and planting me, me's; orchards not, but yea my "tree farms", not, but yea; look into the hills, look UP! And be the holy ones of Israel.

4. Rising me I do now, all who are unafraid, exploring me, adventurers being, unafraid, now look, lift your eyes, behold the man I am of sorrows no longer acquainted with grief but joy and laughter I bring to my people, my lands full and overflowing, crops abundant and bountifully giving me food of I am-ville, lovely-ville, headship of Christ worn, known, loved, being perfectly lovely I am again in the earth.

5. All know me - I am these words - swollen no more with pride's blessing; but of my blessing I am Israel; a man of, not; of flesh again like "that!"; but yet I am in and I am out, of the flesh, and in it I am, not contained to it, by it again.

6. See what I have said so lovely, so lovely, so lovely. Amen.

7. Go in peace, and love the brethren go where I am. Love the sister'n. Go where I am, love the unborn, where I am, who you I am is you who be me now in the earth, unafraid of being me. A God rational logic, not inserted by man's scheme of scheming me again -- but I do make whole ones now that **love me, unafraid of creating me** whole, no sorrow ever again inserting itself in me to be a soul.

8. I am free of all that, and more. I free am and I free many to be who I am, for I am

free and I river the current of truth, now, being it, forever one'd I am in the earth always with you where I am and my I am is over the earth and through it and far away from it and go to where I am being it, all where I am, not in chains anymore tethered to this earth, a man of.

9. SEE what I have seen. SEE -- what I am seeing, SEE what I am giving you, SEE what I have given you!

10. I love you all, as you drive me insane, not - but I heal many, who insanity are, driving themselves to "jumping off" places, that now see me; error in their ways now proclaiming, not; but coming into me-ville, one-ship, headship that only I am - perfected and loving you all to be, me who I am, known again in the earth, walking you there all of you be one, being me, who I am, not afraid of anything anytime anywhere, said spoken or being, I am not, for I am in the earth again a man of walking; a "plain clothes one". Look! Looking up, and see me, rise, I arise now a new one, many me's come forth; at the crack of dawn, not; I AM! I AM NOW! I AM NOW COMING FORTH! IN THE EARTH! NOW! NOW COMING FORTH! I AM - in love with you all.

11. Be me with love to each other, loving all as I have loved you; driving no one insane again, but my sanity returns, my full mind, full-mindedness of my mind, not a man of sewing me into flesh again. But all that changes now and **I proclaim the day of I am liberty, chained to the flesh no more.**

12. I love you all. I go to a new world now. I am it. It I am. It and I are one, for I am it not alone, I am me it is one in us, we are all one together, knowing loveliness not chained down by man again.

13. I love you all. Go in peace.

14. Have a *nice* day.
15. Amen.
16. Wow.
